Child and Adult Care Food Program

*Where Healthy Eating Becomes a Habit*

## Parent Information Sheet

This child care center is a participant in the Child and Adult Care Food Program (CACFP), a United States Department of Agriculture (USDA) program. The CACFP provides cash reimbursement to child care centers for nutritious meals and helps children develop healthy eating habits. The CACFP is administered by the Michigan Department of Education (MDE).

Through the Child and Adult Care Food Program you can be assured that your child is getting balanced, nutritious meals and developing healthy lifelong eating habits. Proper nutrition during the early years ensures fewer physical and educational problems later in life.

As a participant in the CACFP, your child care center receives reimbursement for serving nutritious meals and snacks. Meals and snacks must meet the USDA meal pattern requirements listed below.

MDE is required to verify the enrollment, attendance and meals/snacks typically consumed by children while they are in care. MDE staff may contact you regarding your child's participation in our day care center.
